Founded in 1948 and registered under the Bombay Non-Trading Corporation Act of 1959, the Jamnagar District Association promotes growth and unity within the brass industry and advocates for beneficial legislation. Representing over 2,200 industrialists for more than Seventy years, the association addresses industry challenges at various government levels to secure favourable outcomes and also facilitates molasses trading on a no-profit basis for its members.

Operating from a 10,000 square foot office in the GIDC area, the association is equipped with modern facilities including a conference hall and an auditorium. It is a member of prestigious chambers such as Gujarat Chamber of Commerce & Industry, Federation of Industries and Association (Gujarat) & Jamnagar Chamber of Commerce & Industry.

To aid its members, the association organizes regular seminars, fairs, and exhibitions. It has also established NABL approved "METALAB," an advanced metal testing laboratory funded by SIDBI, enhancing local manufacturers' access to cost-effective, high-quality testing services.

YOUR PARTNER IN GROWTH SINCE 1995
